Re: Formal Complaint 09-FC-54; Alleged Violation of the Access to Public Records Act by Avon Community School Corporation

Dear Mr. Sulkoske:

I my March 16 opinion issued in response to the above-listed complaint, I indicated the Corporation had not responded to the complaint at my invitation to do so. I write today to correct that statement. I am in receipt of a letter dated March 16 from the Corporation's counsel. I am enclosing a copy of the letter, which indicates the Corporation did respond to the complaint by letter dated February 18. I do not know why I did not receive the response, but I trust the Corporation sent the February 18 response to my office. In the February 18 response, the Corporation indicated it would have all requested records prepared for you by March 2. I understand the Corporation has now provided you with approximately fifteen hundred pages of records, in compliance with the Access to Public Records Act.

Best regards,
